The team managers meeting will be held in the Olympic Training Centre (OTC) at the Bosbaan. Absence from the team managers meeting will be at risk of the delegates. The draw for the races will be immediately after the respective team managers meetings.

Lane use and Fairness

The lanes are marked with red buoys (Albano system). During normal weather conditions crews will be started in the lanes according the following schema:

Lane	0	1	2	3	4	5	6	7
2 crews				*	*			
3 crews				*	*	*		
4 crews			*	*	*	*		
5 crews			*	*	*	*	*	
6 crews		*	*	*	*	*	*	

In case of special circumstances, for instance during adverse weather conditions, it may be decided to use a different scheme for lane assignment.

The Regatta Management will continuously monitor weather conditions. Consequential impact on fairness is monitored by the fairness commission. On the occasion of predicted adverse weather condition, the president of the jury can decide to act in accordance with the possibilities of the Rules of Racing of FISA (Rule 71 and Bye-Law to Rule 71) to ensure safe and fair rowing conditions for all contestants. The fairness committee will advise the president of the jury prior to this decision.

Departures from FISA rules

The Aegon Koninklijke – Holland Beker regatta has the following departure from FISA Rules of Racing or Bye-Laws:

1. Visible Boat Names are allowed and are not to be considered as 'Advertising Space'.
(App.5, Advertising Bye-laws)
2. Entry of events for Development and Freshman's crews is restricted to Dutch crews only.
3. All rowers in a composite crew may wear the same uniform which is not necessarily their club uniform. The implementation must then be fully identical within the crew.

The organization accepts no responsibility for any damage caused to boats or to the persons or property of either visitors or participants.

Additional information for Development and Freshman's events (Dutch only)

De Aegon Koninklijke-Holland Beker is de finale wedstrijd van het KNRB Development klassement. De wedstrijd staat open voor alle ploegen. Zaterdagavond om 18:30 zal de uitreiking van het klassement plaatsvinden nabij het erevlot.

Voor de Eerstejaars velden worden maximaal 6 ploegen toegelaten. Bij meer dan 6 aangemelde ploegen is de stand van het Eerstejaarsklassement na de Roeiwedstrijden van de Amsterdamse Roeibond 2018 bepalend. Mocht dat niet leiden tot eenduidigheid, dan wordt gekeken naar de ploeg die het meest aantal keren 10 punten heeft gescoord. Als ook dat geen duidelijkheid oplevert, zal de uitslag van het betreffende Development-of Eerstejaarsveld op de Roeiwedstrijden van de Amsterdamse Roeibond bepalend zijn.
