Entries and Time Table

Dutch crews are obliged to use the "KNRB Inschrijfprogramma (FOYS)" to register their crews. Registration closes on June 17, 2022.

- For 1 crew, complete [this international entry form](#) and as attachment via e-mail to regatta@hollandbeker.nl.
- For 2 crews or more, reach out to us via regatta@hollandbeker.nl and we will equip you with a login for the Dutch national registration system.

Based on the entries, a provisional time table will be published on Monday June 19. The definite times for all races will be assigned during these times: Friday, June 23 18:00 hrs for Saturday's races and at Saturday, June 24 18:00 hrs for Sunday's races. There will be no team managers meeting, but there is a moment to ask questions on Friday 23 at 18:00 hrs at the regatta course. Foreign contestants will be informed via e-mail on the details of this Q&A session.

Lane use and Fairness

The lanes are marked with red buoys (Albano system). During normal weather conditions crews will be started in the lanes according to the following schema:

Lane	0	1	2	3	4	5	6	7
2 crews				*	*			
3 crews				*	*	*		
4 crews			*	*	*	*		
5 crews			*	*	*	*	*	
6 crews		*	*	*	*	*	*	*

In case of special circumstances, for instance during adverse weather conditions, it may be decided to use a different scheme for lane assignment.

The Regatta Management will continuously monitor weather conditions. Consequential impact on fairness is monitored by the fairness commission. On the occasion of predicted adverse weather condition, the president of the jury can decide to act in accordance with the possibilities of the Rules of Racing of WORLD ROWING (Rule 63 and its Bye-Law) to ensure safe and fair rowing conditions for all contestants. The fairness committee will advise the president of the jury prior to this decision.
